**Jason Molina of Shrewsbury recognized by the  
MA Black and Latino Legislative Caucus**  
*Nominated by Representative Kane*

BOSTON, MA – Jason Molina of Shrewsbury was nominated by Representative Hannah Kane to receive a citation from the Massachusetts Black and Latino Legislative Caucus (MBLLC) in recognition of the time and energy Mr. Molina has put into strengthening the Shrewsbury community. The MBLLC, in the spirit of honoring National Hispanic Heritage Month, presented citations to recipients for their work in civic engagement, education, and business, among other fields. Mr. Molina was presented with the citation on October 3, 2019, in the Great Hall of the Massachusetts State House.

Representative Hannah Kane, (R-11<sup>th</sup> Worcester District), recommended Mr. Molina due to the visible and tangible impact he has had on his community. Mr. Molina does not hesitate to use his skills, experience, and voice to better Shrewsbury, as exemplified in his work as a Town Meeting Member, environmental activist, Cub Scout Pack 114 volunteer, and the ballot committee campaign manager for the successful passage of a debt exclusion to build an elementary school. Mr. Molina’s recognition of the value of persistence and hard work in the face of adversity has played an instrumental role in his success and is an inspiration to all.

“I was pleased to nominate Jason Molina for this recognition and excited that he was able to attend the ceremony with his son Dan. Recognizing members of our community who take on leadership roles to advance important community priorities is one of the most enjoyable aspects of serving as State Representative. Our community was very fortunate to have Mr. Molina serve as the Campaign Manager for the ballot committee formed to help advocate for the successful new Beal School building vote last November,” stated Rep. Kane.

Mr. Molina, in response to receiving the citation, remarked "I am honored and grateful to be recognized along with fellow Latinos for the contributions we make to our respective communities. A core value that our family believes in is the importance of using our time and talent for the betterment of one's community." His son David, a middle-school student who attended the ceremony with him, said "It was inspirational to hear the speeches and learn about what Dad and others have done to help their communities. More kids should get engaged in civics."
